GOV. ALLEN WARNS PUBLIC TO AWAKE

Kansas Executive Declares for Battle Against Solfish, Insolent Minorities.

PLEA FOR GOVERNMENT

Makes Address Before League for Industrial Rights and Is Applauded.

"All that labor or capital has any right to ask for is justice," said Henry J. which seek to supplant it. Allen, Governor of Kansas, in his address last night before the League for Industrial Rights at the Walderf-Astoria. "The time has come in this country for executives and lawmakers to Relations was established. see to it that the people get what they are entitled to; the time to stand up for the people against selfish, insolent miner-

of the coal strike of last November. Although he did not appear either as an advocate for capital or an apologist for quate supply of the hare necessities of with a record for law enforcement in the interests of all the people, he earned the immediate approval of his hearers.

Daniel L. Davenport, general counsel of the league, which was formerly known as the American Anti-Boycott Associaon, presided at the dinner following the fternoon conference, and introduced Gov. Allen, Gov. John J. Cornwell of West Virginia and the Rev. Dr. Neheniah Boynton of Brooklyn in their turn Davenport highly complimented Gov. Allen as an executive of courage rare enough in these times.

Gov. Allen's Address.

After the cheers died away the Gov ernor jumped straight into his topic:
"In November Kansas witnessed daring attempt on the part of an or a fuel famine. With a callousness inter to hold a deliberate wage con- impartial government. the tragedy which threatened the public.

unteer labor, protecting the volunteers from interference by the strikers. spent a week plending with the miners to go back to work. Many of them

What the Incident Taught.

"The effort accomplished something more than the relief of an emergency. taught not only the people of the State, but the miners and operators, that the Government is still supreme and apable of protecting its citizens. Two weeks after the State began operating the striking miners appeared and asked the volunteers to let them have their the volunteers to let "hem have then! A "joy ride" in a taxicab stolen for old jobs back again. They realized that a purpose in the early morning hours at 10:45 at Carnegie Hall on Sunday the production of coa". Kansas through last Tuesday may have resulted in the morning. His topic is "Does Spiritualism." process of a strike

Miners' officials har boasted that not a nound of coal would ever be mined in that district except by union miners. weeks, mines that had been lying idle in the dead of winter, with machinery out of repair and pits flooded with water,

Gov. Allen then described the steps took to prevent a recurrence of any industrial crisis. He had worked out a plan for an industrial court, founded upon the principle that government should have the same power to protect society against the ruthless offences of The license plate showed Charles R. speaker on Sunday evening at the Cenan Industrial strike that it has always Hearst, chauffeur, of 14 West Sixty-fifth tral Church, 142 West Eighty-first had to protect against organized crims. had to protect against organized crime. He had been impressed by the fact that no progress had been made anywhere toward a tust and orderly solution of the growing quarra' between capital and

It war time he decided, that a tribunal should be established with full authority to meet industrial discontent before it crystallives, by a careful oversight and regulator of the conditions of labor, so that class batted and bitter antagonism ould not have time to breed and be Legislature, and had the joy of seeing it sweep through both chambers with the carnest backing of the nublic opinion of

Court With Power.

Within a few weeks Kansas had a court to which labor and cacital were required to go for the settlement of their DANGEROUS GERMS disputes; a court which forbere them to make the public miserable in the course of their private quarrels; a court which sought to get at the rights of e ory dispute placed before it and to hand out even Justice. But most of all, as Gov Alles emphasized, it was a court with authority, with the power to enforce its mandates. After outlining its functions he state "By means of this legislation I believe

we will be able: make strikes, lockouts, bor 1-To make strikes, lockouts, bor-cotts and blacklists unnecessary and impossible by giving labor as well as capi-

litigate all controversies. 2-To Insure to the people of this State, at all times, an adequate sup- pleasant tasting. ply of those products which are abso-

jutely necessary to the sustaining of the life of civilized people.

as to the consumer. ceadier employment, at a fairer wage, speakers, etc. 60c. all druggists. under better working conditions. o-That we will prevent the colossa

conomic waste which always attends industrial disturbances. "6-That we will make the law respected and discourage and ultimately abolish intimidation and violence as a scans for the settlement of industrial

Protests and Threa.'s. At first, Gov. Allen said, there were protests and threats from unions and leaders and from capital and employers and a defiant attitude was taken. That stopped very quickly when it was seen

that the Governor and the court meant business. Now the court is working smoothly. The maintenance of way unions of the railroad men have decided to recognize the Kansas court, and last week in St. Louis other classes of railroad laborers—cinder pit men, oilers and some others—decided to sub-

Allen, "have unveiled the startling dangers of a conscious purpose to build in this country, out of a minority, a deliberate process of intimidation which sets government at naught. Its ragical lead-ers think of nothing but their own class interest. If allowed to go on this destructive philosophy would wipe out all that MANY LENTEN ADDRESSES the ages have builded for society. Today all over this land there are men who demand that the Government be
